

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Assistant Director, Reports and Estimates      DATE: 23 August 1949

FROM : Acting Chief, Staff Intelligence Group

SUBJECT: Munitions Board request for estimate of Effects of Sabotage upon  
the Petroleum Industry in Certain Areas

1. The interim acknowledgment requested for the signature of the Director is attached hereto, together with the original memorandum of request.

25X1A9a

2. Attached is also a memorandum to the several departmental intelligence organizations requesting the designation of departmental representatives to serve on a committee under the chairmanship of [REDACTED] for the production of the more comprehensive study planned. It is suggested that this working-level committee may also be able to provide such information on the subject as the Munitions Board Petroleum Committee may from time to time request.

25X1A9a

3. It is requested that you create such a committee and designate [REDACTED] chairman.

4. The preliminary estimate requested is now under preparation by G/Ec.

25X1A9a

*Disapproved, as unnecessary.*
